## HI-Y Missions

Missions are HI-Y's way of helping the total HI-Y program. Three projects . . .

- HI-Y Extension - to extend HI-Y to other schools,
- Project Horseshoe - to help serve 1,400 campers each year,
- Project Cave Lake – to help create a new Center for Community Leadership,
- World Service - to help others around the world,

all help build a better HI-Y by helping others.

Mission pledge forms are in the annual HI-Y Yearbook. Additional forms and a list of "things" HI-Y and Horseshoe need are available from the HI-Y Leadership Center.
